1. Preliminary Provisions

1.1. Intent and objective

- 1.1.1. This is the Waipa District Council Local Alcohol Policy 2025 (Policy). It is made under the Sale and Supply of Alcohol Act 2012 (*Act*). This Policy comes into force on 10 March 2025.
- 1.1.2. This Policy is intended to set a clear framework which will be applied to all applications for on, off, *club* and *special licences* within the Waipā District.
- 1.1.3. The objective of this Policy is to balance the reasonable needs of the residents of Waipā District regarding the safe and responsible sale, supply and consumption of *alcohol*, while addressing the statutory requirements of the Sale and Supply of Alcohol Act 2012, including the object of the *Act* to minimise the harm caused by excessive or inappropriate consumption of *alcohol*.
- 1.1.4. Definitions are italicised throughout and contained in <u>Schedule 1</u>.

1.2. Statutory context

- 1.2.1. The object of the *Act* is that:
 - a) the sale, supply, and consumption of *alcohol* should be undertaken safely and responsibly; and
 - b) the harm caused by the excessive or inappropriate consumption of *alcohol* should be minimised.
- 1.2.2. Section 75 of the *Act* enables a territorial authority to have a local *alcohol* policy (LAP) relating to the sale, supply or consumption of *alcohol* within its district. A LAP may:
 - a) provide differently for different parts of the district;
 - b) apply to only part of the district;
 - c) apply differently to *premises* for which licences of different kinds are held or have been applied for.
- 1.2.3. Section 77 of the *Act* provides that some or all of the following matters relating to licensing can be included in a LAP:
 - a) location of *licensed premises* by reference to broad areas;
 - b) location of *licensed premises* by reference to proximity to *premises* of a particular kind or kinds;
 - c) location of *licensed premises* by reference to proximity to facilities of a particular kind or kinds;
 - d) whether further licences (or licences of a particular kind or kinds) should be issued for *premises* in the district concerned, or any stated part of the district;
 - e) maximum trading hours;

- f) the issue of licences, or licences of a particular kind or kinds, subject to discretionary conditions;
- g) one-way door restrictions.
- 1.2.4. A LAP must not include any other matters relating to licensing and must not include policies on any matters not related to licensing.
- 1.2.5. Under section 93 of the *Act*, a LAP may contain a policy more restrictive than the *Council*'s district plan, however a LAP cannot authorise anything forbidden by the district plan.
- 1.2.6. This Policy does not contain all provisions that may apply to *alcohol* licensing matters and should be read in conjunction with the *Act* (and other relevant legislation including, but not limited to, the Resource Management Act 1991 (RMA)).
- 1.2.7. It is the responsibility of the licence *applicant* to ensure that all relevant requirements are met, including the requirements under the Waipā District Plan and this Policy, before filing an application.
- 1.2.8. There are 4 kinds of *alcohol* licences under the *Act*:
 - a) **On-licences**: these are issued for *premises* where the *licensee* can sell and supply *alcohol* for consumption on-site. They can also be endorsed under section 37 of the *Act* which gives *restaurants* the ability to allow 'bring your own' *alcohol*. Common *on-licence* examples include *cafés*, *hotels*, *taverns*, caterers, *restaurants*, and BYO *restaurants*.
 - b) **Off-licences**: these are issued for *premises* where the *licensee* can sell *alcohol* for consumption elsewhere. Common *off-licence* examples include *bottle stores* and supermarkets.
 - c) **Club licences:** these are issued for *premises* where the *licensee* can sell and supply *alcohol* only to *authorised customers* (who are members or visitors of that *club*) for consumption there.
 - d) **Special licences**: these are issued to allow the sale and consumption of *alcohol* at *events* or occasions on *premises* that are unlicensed, or *premises* for which the *event* timing would be outside their normal licence conditions. Not all provisions in this Policy apply to *special licences*.
- 1.2.9. To obtain a new or renewed licence, the *applicant* must apply to the relevant District Licensing Committee (*DLC*). The decision on any application may be appealed to the Alcohol Regulatory and Licensing Authority (*ARLA*).
- 1.2.10. Once in force, the *DLC* and *ARLA* must have regard to this Policy before deciding whether to issue a licence or its renewal.
- 1.2.11. A licence or its renewal may be refused if it is inconsistent with this Policy.
- 1.2.12. In addition, conditions may be imposed by the *DLC* and *ARLA* on any licence or its renewal to ensure consistency with this Policy.

1.2.13. The Waipā District Council Local Alcohol Policy 2016 applied to the determination of all licensing applications prior to this Policy coming into force. This Policy will apply to the determination of a licensing application after this Policy comes into force, notwithstanding that the relevant licensing application was filed prior to this date.
