Hi Sharyn

I have given serious thought to your question of an extension of time for Mr Woods and agree to an extension of two working days.

I am concerned that all submitters have the same time to consider the documents. From your email he had a delay of two days and therefore the time I will allow.

I accept that the parties were advised the end of August was set as a time line but I will deal with this additional item immediately I receive the comments from the parties. The rest of the decision has been completed.

Thanks

Mick

Good evening Mick,

We have received a request for an extension of the timeline for submitter comments.

Mr Woods' original email was triaged due to internal processes and I was only made aware of his request this afternoon. I have responded with copies of the documents attached as he requested.

Upon investigation, I note there were no links provided in the letter or cover email. I have double checked the webpage and the links are working; I also sought independent verification of this.

The original email was sent at 11.21am on Monday, 16th. His request was at 11.50am the same day. The email with attachments was sent at 3.35pm today.

If the timeframe is extended, this may impact the decision notification which was previously

indicated to be by the end of August.

I look forward to receiving your direction on this matter.

Kind regards,

Sharyn.

Good Afternoon Sharyn,

Thank you for the update, as it is greatly appreciated.

May I trouble you to forward me a 'pdf' copy of the following to ensure I am looking at, and commenting to the most current material;

1 Memorandum of Counsel for the Waipa District Council - 9 August 2021

2 Proposed Plan Change 13 - Minute from the Chair - 12 August 2021

3 Joint Memorandum of Counsel for Waipa District Council and 3MS of Cambridge Limited Partnership – 12 August 2021

I have made attempts to search myself, however I am only able to look at (1), as (2) and (3) the links appear to not work.

Your assistance in this matter would be greatly received.

Kind regards

Hayden
