Select O ISUPPORT  O ISUPPORT  O ISUPPORT  O ISUPPORT  SUPPORT  6. My submission is place include the reasons for your view)  In relation to Item 4 - effect on the surrounding environment, and in particular bullet point 1, transport effects on the wider retwork. At the Rayves boad Arport Road intersection, and at the Regues boad Arport Road intersection, and at the Regues boad St3 intersection, there is significant conjection and this has increased with the opening of the brailiant Expressivery. Neither this has increased with the opening of the brailiant Expressivery. Neither intersection is modernised for brigh use, and for truch use. These intersections are already failing, with recent fatalities. This plan will exacorated without any already failing, with recent fatalities, this plan will exacorated intersection intersection of the opening of a specific intersection of the following decision/s from council; (give precise details—e.g. what you would like the wording of a specific required or world for map) to be changed to)  Modern councilabority at each end of Rayves road world be able the responsible beauth + safety (OSH) response.  (Saying that this safety issue will be sorted which the Southern Grades is implemented, simply isn't good enough! I signature of submitter (note: a signature is not required if you make your submission by electronic means, however please type your name below)  Signature of submitter:  (Or person authorised to sign on behalf of submitter)  Signature of submitter:  (Or person authorised to sign on behalf of submitter)	5. The specific provisions of the plan change my submission relates to are: (give details)
In relation to Item 4 - effect on the surrounding environment, and in porticular bullet point 1, "transport effects on the wider retwork."  At the Raynes bood / Arport Road intersection, and at the Raynes boad / Arport Road intersection, and at the Raynes boad / St3 intersection, there is significant conjection and this has increased with the opening of the Wadiato Expression. Neither intersection is modernised for high use, and for truck use. These intersections are already failing, with recent fatalities. This plan will exacordisate less dangerous intersections, an offence against safety that the Interestion approach is a confict or many to be changed to)  Nodern roundabouth, at each end of Raynes road would be off the responsible beauth + safety (05th) response.  (Sayne that this safety issue will be sorted when the Southern lands is implemented, simply isn't grad enough!)  8. Signature of submitter (note: a signature is not required if you make your submission by electronic means, however please type your name below)  Signature of submitter:  (or person authorised to	Select one I SUPPORT IN PART
At the Rayres Road Atroord Road intersection, and as one Rayres Road SH3 intersection, there is significant conjection and this has increased with the agenty of the Wathato Expressively. Neither intersection is modernised for high use, and for truck use. These intersections are already failing, with recent fatalities. This plan will exacordisate tage dangerous intersections, an offence against safety thatth. Interesting upgrades 7.1 seek the following decision/s from council: (give precise details—e.g. what you would like the wording of a specific provision (or map) to be changed to)  Modern councilaborate, at each end of Rayres road would be at the responsible beauth +safety (OSH) response.  (Saying that this safety issue will be sorted when the Southern Unless is implemented, simply isn't good enough!)  8. Signature of submitter (note: a signature is not required if you make your submission by electronic means, however please type your name below)  Signature of submitter:  (or person authorised to	6.
