5. The specific provisions of the plan change my submission relates to are: (give details)

		A STATE OF THE PARTY OF THE PAR

Select	0	I SUPPORT IN PART			
one	V	I OPPOSE			

- Amendments to Appendix S10 Airport Business Zone Structure Plan, clause S10.2, subclause.2.1 and clause 10.4.2.10
- 2. Pedestrian and vehicle access to Middle and Narrows Roads
- 3. Lack of detail re stormwater management as it relates to adjacent properties
- 4. Lack of planning consequences if Southern links project has a long postponement

6. My submission is: (please include the reasons for your view)

- The Northern Precinct development does not need access/egress to Middle Road to
 operate successfully. This proposed amendment is ambiguous. The residential neighbours
 wish to maintain their present lifestyle without extra traffic on a rural road
- 2. Pedestrian access to Narrows and Middle Roads is not necessary for the functioning of the Northern Precinct business
- Land in this area is subject to a high-water table and is serviced by a variety of ditches, some flowing to the river via adjacent properties. There needs to be a plan for retention of water to moderate flows for the increased surface water anticipated
- The Southern Links project has been postponed indefinitely and planning north of the Northern Precinct should be a Waipa District Plan consideration

7. I seek the following decision/s from Council: (give precise details – e.g. what you would like the wording of a specific provision (or map) to be changed to)

That:

- 1. clauses S10.2, subclause 2.1 and clause 10.4.2.10 of the Waipa District Plan remain as defined and no amendment made
- 2. That no pedestrian or vehicle access be allowed to Narrows or Middle Road
- 3. That Developers co-ordinate with neighbours regarding stormwater flows
- 4. That no decisions be made about areas outside of the Northern Precinct's northern boundaries until the new Waipa District Plan is discussed and there is more information re Southern Links (particularly the Eastern arm of the project)

8. Signature of submitter (note: a signature is not required if you make your submission by electronic means, however please type your name below)

Our submission endeavours to enable a balance between the Northern Precinct commercial development and the preservation of a rural residential lifestyle. The proposal by Rukuhia Properties has not been discussed previously and threatens to change the interface of our community. We request that our land and therefore, community, is kept as a separate entity from the commercial development. We suggest that this can be achieved by ensuring that the development is bound by the Northern Precinct's land boundaries with no access or egress of any type to Middle or Narrows Road. We suggest that Middle Road should continue to be defined as it is at the present time. The roads are much used for recreational pursuits by the extended communities including Lowe and Raynes Roads
