This is a submission on the following proposed plan change to the Waipā District Plan

As a resident of Cambridge who work in Auckland everyday and leave Auckland to come to our beautiful town. If I wanted my neighbour closer to me, or a three story building next to me, or more traffic, or more kids in my kids class, or a longer line at the shop, then I'D MOVE TO AUCKLAND!!

Leave our town alone!!!!

Could you gain an advantage in trade competition through this submission? I could not

Are you directly affected by an effect of the subject matter that - (a) adversely affects the environment; and (b) does not relate to trade competition or the effects of trade competition? I am not

Do you wish to be heard (attend and speak at the Council hearing) in support of your submission? I do not

If others make a similar submission, will you consider presenting a joint case with them at the hearing? Yes

Do you support the proposed change(s)? I oppose

The specific provisions of the plan change my submission relates to are (give details):
