Te Awamutu Community Board wishes to support Council in their attempt to minimise the impact of Plan Change 26. This mandate from Central government to intensify housing and build up to 3 homes 3 stories high on a single property is not supported by our community of Te Awamutu or Kihikihi. Our community believes due to the blanket approach of the Amendment Act 2021 that it will lower property values, impact neighbouring properties eg block sunlight and have an adverse impact on our core infrastructure, parks and reserves.

7. I seek the following decision/s from Council: (give precise details – e.g. what you would like the wording of a specific provision (or map) to be changed to)

The Te Awamutu Community Board would like to formally support the Council's efforts to minimise the impact of this amendment to the Resource Management Act on our district. We support the recommendation being made by Council to maintain some control over where mandatory intensification occurs within residential zones through the possibilities listed as Option Three in the internal Issues and Options Report on the Amendment Act- Council Meeting 5 April 2022.

8. Signature of submitter (note: a signature is not required if you make your submission by electronic means, however please type your name below)
