Dear Christian,

**EXTENSION OF SUBMISSION PERIOD: RESOURCE CONSENT APPLICATION TO ESTABLISH AND OPERATE A MINERAL EXTRACTION ACTIVITY (SAND QUARRY) – 77 NEWCOMBE ROAD, RD 4, CAMBRIDGE**

Following receiving and considering requests sent to Waipā District Council to extend the submission period by 20 working days, I am confirming that the submission period will be extended by 10 working days therefore now closing on **4<sup>th</sup> November 2024**.

In weighing up the interests of the applicant and the community, it is my opinion that an extension of the submission period by a further 10 working days is justified as it will not unduly affect the applicant in terms of when a hearing is required but it will provide sufficient time for the community to review the application material, seek advice and prepare a submission.

Please note, Waikato Regional Council will provide a separate response to you.

If you have any queries please do not hesitate to contact the writer.

Yours faithfully
